

Application for “Corporate” Membership

The “Corporate” membership is designed for companies that actively develop FDT-enabled solutions and wish to publically support the work of the FDT Group. This membership provides voting rights at the annual General Assembly, allows you to participate on all working group committees, gives access to review specifications before release, provides you IP rights to use FDT[®] and DTM[™] trademarks for product branding and receives the best discounts for FDT developer tools and services.

Please select the classification for the appropriate annual membership fee based on the company’s annual turnover.

Class A

Class B

Class C

Class D

I hereby request consideration for corporate membership in the FDT Group AISBL:

Company name*:

Date*:

(DD/MM/YYYY)
